

EMAIL, MAIL & CARE PACKAGES

SENDING EMAILS TO YOUR CAMPER:

We are offering two email options this year:

Option #1:

This service uses a third party camp email provider. **There is a charge and campers will not be able to send outgoing emails.** Your message can include photos, graphic designs and borders.

NOTE: one email = 1 credit.

- **Package Option #1 = 4 credits @ \$5.00**
- **Package Option #2 = 9 credits @ \$8.00**
- **Package Option #3 = 13 credits @ \$11.00**

All emails are sent to the A/U Ranches once a day, in the morning, from the provider. Your emails will be received by your camper the following day. **Emails will be printed and delivered to each camper's mailbox.**

To set up an account, click on the icon below. When prompted for the code, please enter: 2015adventure.

Option #2:

There is **no fee for this option**, which is a basic service. It accepts text messages only, no graphics, photos or attachment. Emails received in the morning (before 7:00am MST) will be delivered to your camper by the end of the day.

- **Send emails to campers@adventureunlimited.org**
- **Subject line should read: child's name, RUR or SVR, Session #**

SENDING CARDS, LETTERS OR PACKAGES TO YOUR CAMPER:

Mailing cards or letters

Address U.S. Postal Service mail as follows:

Your Child's Name

Round-Up Ranch OR Sky Valley ranch (whichever one your child is enrolled at)
A/U Ranches
P.O. Box 2036
18325 County Rd #366
Buena Vista, CO 81211-2036

Sending care packages to your camper:

If sending packages to your camper vis **UPS or FedEx**, address the boxes using the **same information noted above, but without the P.O. Box.**

Camper may receive one care package per session, so please coordinate with family and friends so that all know who will be sending the care package. When sending a care package to your child, please **DO NOT send food of any kind**, as it attracts wildlife to the cabins.

Any food items that are sent will be confiscated from the camper. We promise they are getting plenty of food while they are here! For your convenience, below are two websites that specializing in non-food camp care packages.

If you are interested in using a Care Package service, you may want to consider the following:
